

## **OFFICIAL ANNOUNCEMENT: VENUE CONFIRMED FOR ROUND 4 OF FIM ASIA ROAD RACING CHAMPIONSHIP 2026**

TWMR is pleased to confirm that the FIM Asia Road Racing Championship Round 4 will take place at Mandalika International Circuit, Indonesia, scheduled for 7th – 9th August 2026.

The delay in the official announcement was due to global shipping delays, which affected worldwide logistics coordination and required additional time to finalize arrangements with all relevant stakeholders.

Abdulrahman Al Mannai, FIM Asia President, said, “We are delighted to confirm Mandalika International Circuit as the host of Round 4 of the 2026 FIM Asia Road Racing Championship. This milestone reflects the strong commitment and cooperation of all parties involved, and we look forward to another successful and memorable event in Indonesia.”

Ron Hogg, Promotions Director of Two Wheels Motor Racing (TWMR), said, “We are pleased to confirm Mandalika International Circuit as the host venue for Round 4 of the 2026 FIM Asia Road Racing Championship. Indonesia has always played an important role in the championship, and Mandalika continues to provide a spectacular setting for both teams and fans. We appreciate the patience and continued support shown by all stakeholders, and we look forward to welcoming everyone for what promises to be another exciting weekend of racing.”

With this confirmation, TWMR completes another key milestone in the 2026 season calendar. The inclusion of Mandalika International Circuit reflects the championship's continued commitment to delivering a complete and competitive season across premier circuits in the region, while ensuring all operational and logistical requirements are fully aligned.

We would like to extend our appreciation to all partners, sponsors, teams, and riders for their patience, understanding, and continuous support throughout the process.
